**Minimum Standard for Work in Cemeteries includes but is not limited to;**

- The work is limited to the Right / license held by the Legal Grantee
- When excavating for any work, strict compliance with the confined space regulations is required
- All work must be carried out in a tradesman like manner
- All materials shall be of a permanent nature (timber, bricks & mortar, untreated ferrous metals etc. are not considered permanent and may not be approved)
- The work shall not interfere with the rights of visitors to the cemetery or gardens
- The work shall not encroach onto adjoining sites- that is, it will be limited and contained within the site or allotment described in the permit
- It is the responsibility of the contractor to keep the site neat, tidy and be made safe at all times and to provide barricades and fence off the work area to make it safe and prevent access to any unauthorised people and to carry a work method statement when on cemetery grounds
- The contractor/worker must not allow access ways to be obstructed by materials, tools, plant etc.
- All debris, rubbish, materials, tools etc. must be removed from the site and the cemetery or memorial gardens at the end of each working shift
- Proposed work is also subject to Hilltops Management Plans
- Application fees are payable to Hilltops Council (The fees must accompany this application)
- Payment of fees does not constitute a permit to work. Fees are paid for the consideration and assessment of the application. Fees are not refundable if the application is rejected
- Special conditions apply to lawn cemetery areas. Please check with the cemetery administration before making your application
- All work must cease when a funeral is in progress
