About Us

The Young Health Service is a 32 bed facility with 21 acute care beds and 5 maternity beds and 6 day surgery chairs.

The 24 hour Accident and Emergency Department is equipped with telehealth cameras to connect the team in Young with specialists through the Critical Care Advisory Service.

A full range of community health services including community nursing, allied health and mental health services are also delivered by the local team and provide outreach to surrounding communities.

Mercy Care Young adjoins the facility and provides a 26 bed sub-acute rehabilitation and palliative care service.

Location

Young is a town in the South West Slopes region of New South Wales located on the Olympic Highway. This historic town is widely known as the 'Cherry Capital of Australia.'

With just over 11,803 residents, Young is part of the Hilltops region, the area is emerging as one of the most exciting viticulture regions in Australia with fine quality food and wine showcased in local vineyards, café's restaurants and clubs.

There are a variety of opportunities to enjoy the great outdoors in Young including Tout's Lookout, Monteagle village, and the nearby Weddin Mountains.

The Young Shire has a unique and interesting history, and residents and visitors can enjoy the diverse range of sporting, recreation and cultural facilities, as well as its 34 parks, 3 gardens, and 9 reserves. There are six schools in Young, four primary schools and two high schools offering a variety of education options for families.

Young is about 2 hours drive northeast of Wagga Wagga, 2 hours drive northwest of Canberra and 5 hours drive to Sydney.
